

CALL FOR AWARD NOMINATIONS

You Have A Voice In the Utility Arborist Association – Please Use It!

UAA Awards

The UAA Awards have become a very special part of our organization. Award recipients are peer-nominated and chosen which makes the honor even more significant. Make a difference in someone's professional life – nominate them for one of these awards.

The *Utility Arborist Award* is presented to an individual who has made a significant contribution to the field of utility arboriculture.

The *Educational Award* honors an individual who has added to the knowledge and practices of the utility arborist.

The *Lifetime Achievement Award* recognizes the person who has reached many milestones during his/her career as a utility arborist.

To nominate someone, please email your nominations to Nelsen Money at nelsen.money@gmail.com. Nominations are due no later than December 15. Awards will be presented at the North American Tree Conference and Trade Show in Savannah!
